78 YEARS OF AGE DEATH WAS DUE

HEALTHY KIDNEYS AND BLADDER

Mr. F. M. McDonough of 314 S. Fairfax St., Alexandria, Va., who is 78 years of age, says he has kept his kidneys and blad-

der healthy the past 25 or 40 years by the WARNER'S SAFE CURE

A TRIAL BOTTLE OF THE WORLD'S GREATEST KIDNEY CURE SENT AB-SOLUTELY FREE TO EVERY READER

F. M. McDONOUGH, 78 YEARS OLD.

On April 7th, 1992, Mr. McDonough wrote:
"I am 78 years of age I have used Warner's Safe Cure for nearly 39 years off and on. I was troubled with hame back, pains in my kidneys and inflammation of the binder. As soon as I would take a bottle of Warner's Safe Cure my lameness left me and the irritation of the bladder stopped. Several times I caught cold and it settled in my kidneys. I took Safe Cure and each time it completely cured me. Before I knew of Safe Cure I tried all kinds of remedies, but they did me no good. I have recommended Sefe Cure to a number of paople who had kidney and bladder troubles and it worked like magic. It is a blessing to those suffering from any disease of the kidneys. Yours truly.

Thousands of people who have died from

Thousands of people who have died from kidney disease of one form or another because it had poisoned their systems before they knew it, might have been saved had they examined their urine and found out the true condition of their kidneys. Put some morning urine in a glass or bottle, let it stand 24 hours; if then it is cloudy, or has a brick-dust sediment, or particles float in it, your kidneys are diseased, and if not attended to at once your life will be cut off with Bright's disease, diabetes, uric acid poison or other complications.

warner's Safe Cure will cure any disease of the kidneys, liver, bladder, or blood; it will cure Bright's disease, diabetes, gallstones, rheumatism, rheumatic gout, swelling, painful passage of urine, torpid liver, uric acid poison, indigestion and stomach trouble, which are so often caused by the diseased condition of the kidneys.

Warner's Safe Cure is purely vegetable and contains no narcotte or harmful drugs. It is free from sediment and is pleasant to take. (Beware of so-called kidney cures full of sediment and of bad odor—they are harmful.) It does not constipate. It kills the disease germa. Warner's Safe Cure has been prescribed and used by leading doctors for over 25 years, and is used in many prominent hospitals exclusively.

WARNER'S SAFE PILLS move the howels gently and ald a speedy cure.

If you already know Warner's Safe Cure is what you need you can buy it at any drug store, two regular sizes, 50 cents and \$1.00 a bottle.

Refuse Substitutes and Imitations. There is none "just as good" as Warner's. Insist on the genuine, which always cures. Substitutes contain harmful drugs, which injure the system.

TRIAL BOTTLE FREE.

To convince every sufferer from diseases of the kidney, liver, bladder and blood that Warner's Safe Cure will cure them, a trial bottle will be sent absolutely free, postpaid, Also a valuable medical booklet which tells all about the diseases of the kidneys, liver and bladder, with a prescription for eac't disease, and many of the thousands of testimonials received daily from grateful patients who have been cured by Warner's Safe Cure. All you have to do is to write Warner's Safe Cure Company, Rochester, N. Y., and mention having read this liberal offer in The Republic. The genuineness of this offer is fully guaranteed by the publisher.

QUESTION OF MAINTAINING A LOBBY. Brotherhood of Railway Trainmen to Vote on the Proposition.

An effort is being made by members of the Bretherhood of Railway Trainmen to secure desirable legislation in Jefferson City next year. At the instigation of Patific Lodge, No. 64, of this city, the Grand Lodge, with headquarters in Cleveland, O., had ordered a poll of all Missouri lodges.

Letters of notification have just been received by the local lodges. The poll must be in from the twenty-five Missouri lodges by October 15. Each lodge is asked to name a representative on the Legislative Board, which will then proceed to select a man who will spend all of his time in Jefferson City when the General Assembly meeta. Chief among the laws desired are statutes bearing on safety appliances.

TO PARING OF CORN.

Blood Poisoning Resulted From David I. Lane's Operation Upon His Left Foot.

CUT IT THREE WEEKS AGO.

Whether Infection Came From the Knife Used or Hosiery He Wore Has Not Been Decided.

Blood poisoning, resulting from paring a corn on his left foot, caused the death of David I. Lane, a foreman in the shops of the Merchants' Terminal Railroad. He cut the corn three weeks ago, and died at St. Mary's Infirmary Monday night.

Lane tried to remove the corn several times by the use of salves, but with no success, and, therefore, operated upon it himself. After the operation it seemed to

Believing that his foot was only sore, he applied a salve. It did not seem to heal. The next day the foot began to swell and he sent for Doctor William Rininger. Upon examination the physician found that the corn had become poisoned, and advised Laze to go to St. Mary's Infirmary, corner of Fifteenth and Papin streets, where every method known to the science of medicine was employed.

At the infirmary, Lane for awhile seemed

to grow better, and hope for his recovery was entertained. The latter part of last week, however, the infection rapidly spread through the body. Monday he grew weaker and shortly after 9 o'clock in the evening died. Whether the infection was caused by the knife used, or resulted from dyes in the hosiery he wore has not been decided.

The funeral will take place this afternoon at 2 o'clock from St. Cronan's Catholic Church, corner Boyle and Swan avenues. Lane was 43 years old and leaves a wife and one daughter. The home is at No. 4225 Swan avenue.

Both John H. Boogher and John C. Shaner dealed yesterday that they were candidates or prospective nominees for Prosecuting Attorney and Assistant Prosecuting Attorney, as had been announced.

"As far as I am concerned," said Mr. Boogher, "I have not been on the so-called Saite to the best of my knowledge. Considering the criticism which has been passed on the ticket, I think that I have a right to deny the accusation."

The politicians who were in the caucus which decided to support the slate published in The Republic Monday morning met again yesterday and canvassed the situation. It is said that no candidates for Prosecuting Attorney have been selected, and will not be until later. The protests against weak nominees for these positions are such that it is likely extreme care will be used in making selections.

All reports concerning the Jackson County Republican Convention indicate that if Major William Warner is really in earnest, the indorsement which he received in the convention will do Kerens no good. It is said that when Kerens heard that the resolutions instructing for Major Warner would be introduced he had his private car attached to the Chicago train which left Kansas City at 6 o'clock Saturday evening. As for the Jackson County nominess, it is claimed that Kerens got little satisfaction. Both the city and county organizations were taken away from him. That Kerens has not yet given up hope is proved by the fact that he continues to receive workers from the interior of the State at his headquarters. Several city politicians called on his lieutenant, Charles H. Smith, yesterday. It was not stated whether the activity at the National Committeeman's headquarters had anything to do with the conference which was held in Lee Meriwether's office.

Democratic State Chairman Will A. Rothweil has received several letters from different counties asking for speakers. Though the speakers' bureau is running at full blast and James R. Lowell, who is in charga has committed every railroad time table to memory, the itineraries are apparently not long enough to suit some of the impatient politicians in the country.

"Of course every station in the State is not printed in our advertisements at the present time." said Mr. Rothwell yesterday, "but no town will be missed. The demand for spellbinders is simply greater than the supply. Though we have never had so many orators on the stump, the people seem anxious to hear every one of them. So far as we are concerned, the speakers will be worked to their full capacity. The itineraries are made out for only a short time ahead and that may explain the impatience of a few."

LICENSES WILL BE INCREASED. Saloons, Hotels, Feed Stores and Lum-

ber Yards to add to Revenue.

To secure more city revenue the License Committee of the City Council and a committee of the Good Government League of Belleville have practically decided on a general revision of the license law of the city, which, if it is adopted, will-give the city at least \$8,000 more revenue annually. The result of the conference will be laid before the Belleville City Council at its next meeting.

One of the principal changes lies in the proposed increase of the license of the malt liquor saloons, which now pay a revenue of \$150 a year. This is to be raised to \$200 a year. The beer depots are also to pay \$200 instead of \$100 a year. Boarding-houses, hotels and restaurants, soda factories, milk vendors, feed stores, lumber yards, all of which are now exempt from paying city flecenses, are to be ascessed as high as \$50 a year.

It is expected that those affected will

Sustained in Terminal Yards.

A jury in the East St. Louis City Court yesterday afternoon returned a verdict for \$17,500\$ damages against the Terminal Rail-road Association in favor of Thomas J. Larkins, foreman of a switching crew, for personal injuries sustained by Larkins while he was in the employ of the Terminal Rail-road Association, on June 2, 1901. The verdict is one of the largest on record in the East St. Louis City Court.

Larkins's case is a pittable one. As a result of the accident he lost both his feet and his left arm, and it is also asserted by physicians that his heart was displaced and that it moves from one side of his body to the other. Several ribs were fractured in the accident, and it was stated that he lay prone in bed for more than seven months after the accident.

Frank C. Smith, attorney for Larkins, opened the trial of the case last Friday, and it was not finished until yesterday morning when it was given to the jury, after deliberating half a day, decided that \$17,500 would be the proper damages.
